Pullorum-Typhoid - In past years, the Department of Agriculture has either supplied departmental personnel or permitted licensed private testers to conduct on-site Pullorum-Typhoid testing at shows and exhibitions. Tennessee Department of Agriculture Rule 0080-2-3-.05 Poultry requires "All poultry assembled at shows or exhibitions shall be accompanied by evidence of a negative test within ninety (90) days for Pullorum-Typhoid, or be tested on-site for Pullorum-Typhoid prior to exhibition following strict biosecurity procedures, or shall originate directly from a flock which has been certified as Pullorum-Typhoid clean under the Tennessee Poultry Improvement Plan." Proof of testing will be kept at barn during the Poultry Show. For other questions, information or for assistance in locating testing personnel, please call the office of the State Veterinarian at (615) 837-5120 or call Eddie Dunlap, Tennessee Valley Fair's Show Superintendent Home: (865) 982-9737 or Cell: (865)742-5525

The Tennessee Valley Fair has implemented a sales fee on any poultry show entry that is sold at the Fair. The proceeds of the sales fee will be used to finance youth agricultural activities like 4-H, FFA and others, plus establish a scholarship for Junior Poultry Show Exhibitors. The Fair wants the system to be easy for both the exhibitors and the Poultry Superintendent, who will be collecting the fees. Any exhibitor who wants to sell poultry at the Fair will be required to rent a cage from the Superintendent for \$10.00. This fee will entitle the seller to make up to 50 sales. Any sales over 50 will require the rental of another cage. The Fair asks for your cooperation to help finance these worthwhile youth activities. **Youth in Agriculture are our future.**

The Tennessee Valley Fair or Poultry Department cannot be responsible for birds left after Noon on Monday after the closing of the Fair. Any exhibitor violating this rule will automatically forfeit all premiums and ribbons.
